

E-PORTFOLIO CONSENT

During your three years on the Vocational Training Scheme you are required to complete an e-portfolio. Further information about the e-portfolio can be downloaded from the RCGP website www.rcgp.org.uk under the section nMRCGP.

Your Educational Supervisor, the Program Directors and the Associate Dean can access your e-portfolio in order to complete assessments and monitor your progress. You will be required to make regular entries to demonstrate your learning.

We would like to be able to access your e-portfolios in meetings where other Educational Supervisors and Program Directors seek to improve their own use of the e-portfolio. This benefits all trainees as it is one of the processes we use to ensure that all of your educational team can support you in your use of the e-portfolio. Details of your e-portfolio will not be shared, by us, with other trainees.

Please complete the following:

I,

give/withhold my consent for my e-portfolio to be accessed in meetings as described above.

If you wish to change the statement you have made above at any point during your training please contact your course administrator named below in writing.
